### **SPEED QUEEN MULTI-HOUSING**

#### **ELECTRONIC HOMESTYLE**

## COMMERCIAL FRONT CONTROL FRONT LOAD WASHER

#### **Built for Reliable Performance**

Engineered and built like no other, the Speed Queen front load washer is designed to be everything people thought a washer couldn't be, beginning with its revolutionary suspension and sensing technology. This groundbreaking innovation manages and redistributes out-of-balance loads to deliver uninterrupted cycles, virtually eliminate vibration and operate so quietly neighboring residents won't even know it's running. It also touts an incredible 440 G-Force extraction speed to maximize moisture removal, reduce dry times and minimize utility costs. And as if that's not gamechanging enough, this smooth-running, laundry-optimizing machine delivers increased water efficiency for the ultimate user experience. It's everything you never knew it could be. Front load products have met every design standard to be 100% ADA compliant.

- Revolutionary balancing technology
- Industry leading 1200 RPM spin speed exerts 440 G-force extraction
- Extra-wide 15.5" door opening and 180° door swing
- Rugged suspension system
- · Easy-to-read digital display
- Durable stainless steel tub
- Four-compartment soap dispenser

Electronic homestyle control is designed for durability and easy operation with attractive selection buttons and cycle status indicator lights.
